

**CHICAGO AREA TRANSPORTATION STUDY  
TIP PROCEDURES COMMITTEE**

9:00 AM July 30, 2004  
300 W. Adams Street, Chicago  
2<sup>nd</sup> floor  
Southeastern Conference Room

A G E N D A

Charge of the TIP PROCEDURES COMMITTEE:

*Research and review all matters pertaining to the development, structure, review and approval of the northeastern Illinois TIP except the programming of projects.*

I. Update of the FY 04-09 TIP	Current regulations require a TIP update by October of 2005. A tentative schedule for the update will be discussed.
II. Conformity determination necessitated by the 8-hour ozone and PM2.5 NAAQS conformity rule	A proposed schedule for the upcoming conformity determination will be addressed.
III. FTA grant recipient data	A brief review of the materials required of FTA grant recipients will occur.
IV. Next Meeting
