The City of Evanston is not opposed to the proposed amendments to the FY 2005-09 Transportation Improvement Program (TIP) to move two (2) IDOT District 1 Division of Highways' construction projects forward in the Program to 2007 and 2008, respectively, as long as the subject action does not delay any Evanston TIP projects currently programmed for construction. Thank you.

Respectfully Submitted,

John Burke, P.E., Director  
Evanston Division of Transportation
